

January CASAS training -- Register Now December 28, 2010

KYAE is offering two **CASAS Implementation Trainings**. Each is a basic, introductory training designed to walk participants through the CASAS assessment process from appraisal (locator) to post assessment. Participants will earn a certification, which will enable them to purchase CASAS assessments. KYAE has approved CASAS as an assessment for English as a second language students.

Participants **must register** on the KYVAE catalog located at <http://www.kyvae.org/courses/courses.aspx>
